

Dunloy Cuchullains GA & CC Race Day

Chairman's Address

Friends and Sponsors

On behalf of Cuchullains DunLathai I warmly invite you to our inaugural Race Day. This is a new venture for our club and one which I am sure will be a great success. Having attended a few in the past I can assure you that it will be a day to remember.

Our ability as a club to compete on the playing field is matched by our desire to improve our facilities and to provide for our membership and community. As most of you are aware we are in the final stages of completing our new Centre of Excellence. When complete this will provide year round playing facilities which will be the envy of other sporting organisations and clubs in Antrim and Ulster. This project has taken six years from inception to completion and is fitting testament to all involved.

The indoor facility will provide the club with renewed impetus and we expect to generate greater participation, improvement in skill levels and increased membership. The facility will be for use by all and we expect it to further cement our grounds at the centre of the community.

Your strong support is a major factor in providing confidence for the club to undertake this project. We are still in the middle of difficult times, yet we have supporters and benefactors who continue to fund our ambitions. I pay tribute to your continued support and the confidence that you provide us with.

Enjoy your day.
